Helping Parents Teach Toddlers To Understand and Use Language

## **Early Expressive Language Targets for Children Functioning Below the 12 Month Developmental Level**

- Vocalizes with different sounds for different reasons
- Uses gestures functionally
- Says "Mama" or "Dada" meaningfully
- Imitates play sounds and other consonant-vowel combinations
- Begins to imitate familiar words

If you need ideas for working on these goals, I can help you with that! This list is from [Teach Me To Talk: The Therapy Manual](#) where you'll find lists for receptive and expressive language milestones along with fabulous strategies and activities that WORK to help toddlers acquire each skill.
