

Teach Me To Talk!

Helping Parents Teach Toddlers To Understand and Use Language

## **Receptive Language Targets for Children Functioning at the 12 to 24 Month Developmental Level**

- Understands "Come here" and "Sit down"
- Identifies several body parts
- Follows one-step commands during play
- Understands some early prepositions
- Finds familiar objects not in sight
- Chooses familiar objects from a group on request
- Understands familiar action words
- Attends to and identifies familiar pictures

If you need ideas for working on these goals, I can help you with that! This list is from [Teach Me To Talk: The Therapy Manual](#) where you'll find lists for receptive and expressive language milestones along with fabulous strategies and activities that WORK to help toddlers acquire each skill. If you want to know more about this book, click [here](#).
