

Laura Mize, MS, CCC-SLP

**Nationally Recognized Speech Therapy Speaker
Published Author & Clinical Educator**

**Pediatric Speech-Language Pathologist
Founder, Teach Me To Talk**

Laura Mize is a nationally recognized pediatric speech-language pathologist, clinical educator, and founder of Teach Me To Talk. She is the author of 9 speech therapy manuals and clinical resources used in university training programs and professional development settings worldwide. With decades of hands-on clinical experience,

Laura trains speech-language pathologists, early intervention providers, educators, and parents in practical, evidence-based systems for early language development and autism intervention. Known for her clear, organized, and highly practical approach, she equips professionals with structured frameworks that can be implemented immediately in real-world clinical settings.

Laura is available for live and virtual speaking engagements worldwide.

**LAURA PROVIDES CUSTOMIZED
TRAININGS FOR:**

WHY ORGANIZATIONS INVITE LAURA

- Clear, structured systems participants can implement immediately
- Comprehensive handouts and ready-to-use clinical tools
- Research-informed and clinically grounded content
- Engaging delivery with real-world case examples
- Professional communication and efficient event preparation
- Many organizations re-invite Laura for follow-up trainings due to high participant satisfaction and meaningful clinical impact.

TRAVEL & SCHEDULING

Speaking honorarium and travel arrangements vary depending on event format, location, audience size, and customization needs. Due to Laura's teaching and course development schedule, speaking engagements are limited each year. Early inquiries are encouraged to secure preferred dates.
